Class Code(s): 9260

GRADUATE REGISTERED NURSE

Not Classified

NOTE: This job description is intended to be used for the recruitment and employment of Registered Nurses who have not completed the licensing examination requirements. There will be no positions classified as a Graduate Registered Nurse, but the Central Personnel Division will establish an open register for use in under filling Registered Nurse positions.

Individuals assigned to positions in this class are responsible for performing nursing services under the direct supervision of a registered nurse. Duties include diagnosing human responses to actual or potential health problems; providing supportive and restorative care, health counseling and teaching, case finding and referral of persons who are ill, injured, or experiencing changes in the normal health processes. Collaborates in the implementation of the total health care regimen and execution of a medical regimen as prescribed or authorized by a licensed physician. Performs any additional duties that are recognized by the nursing profession, in connection with the medical profession, as proper to be performed by graduate nurses and as authorized by the rules and regulations of the Board of Nursing. Additional responsibilities may include administrative communication and reporting tasks commonly assigned to positions in this class.

MINIMUM QUALIFICATIONS FOR ENTRY TO CLASS:

Requires graduation from an approved nursing program and application to take the licensing examination leading to licensure as a Registered Nurse by the North Dakota Board of Nursing.

Eff. Date: 1/93
